INTERPROVINCIAL TOURNAMENT
CAPE TOWN

STEVEN JOHNSON CARS

MESSAGE FROM Hannes Botha President SAIHF

Welcome

Members of the South African Ice Hockey Federation and fellow members of the Executive Committee welcome to the 2017 Interprovincial held in Cape town.

I would like to thank WPIHA for hosting this tournament under the auspices of SAIHF. Once again ensuring that Players, parents, fans, and sponsors get to see the best of each provinces playing on the same sheet of ice.

This year's IP promise to be better and bigger than before and we welcome the first ever ladies U18 interprovincial teams to this year's event. This is in line with SAIHF vision to enter a U18 National team in the IIHF U18 girls event by 2020.

Ice hockey in South Africa is growing due to the efforts that is put in place by all the provinces and clubs in South Africa. We are working towards the same goal.

Development of the sport is so important and that will always be the key factor in ensuring that SA have competitive teams in the world championships for all 5 categories. Development is showing as we have now 4 provinces entering teams in the junior divisions, U14 and lower. The goal of SAIHF is to develop players at younger ages every year and to ensure that we have a bigger pool of players to select from in the future.

From this Inter Provincials the U18 and U20 National squads will be selected, expected announcement August 1, 2017.

We would like to wish all players, coaches, managers, volunteers and officials a pleasant tournament and look forward to sharing in the celebration of ice hockey in South Africa over the week of the tournament.

Yours in Sport.

WELCOME FROM Jason Cerff President WPIHA

The WP Ice Hockey Association is honored to be hosting the 2017 SAIHF Ice Hockey Interprovincial tournament. This event brings players together and builds bridges between those playing the game. WPIHA welcomes all the players and officials to this tournament, especially to EPIHA for having your first ever tournament in Cape Town with the U12 and U14 teams entered as well as KZNIHA for entering a U12 team. Thank you once again to GIHA for filling in 2 teams per age group as this makes the competition more competitive for the junior players. May the games be played in the spirit of friendship and sportsmanship.

As President of the WPIHA, I'd like to thank our Committee members for putting this event together. They have worked tirelessly over the past 3 months to ensure that the competition runs smoothly and the logistics are in place to make this a most memorable event for all.

Our thanks also go out to The Ice Station, for accommodating us in their arena once again, to the parents for their volunteerism and sacrifice, to all the players for their sportsmanship and to the hockey supporters for your enthusiasm.

May the games begin...
